Patron: Mr. Abdullah Tarmugi

About Riding for the Disabled Association of Singapore

Since 1982, Riding for the Disabled Association of Singapore (RDA) has been providing free therapeutic and rehabilitative horse-riding programmes that benefit people with physical and/or learning disabilities in their rehabilitation process. We are the only charitable organisation locally to provide this unique form of therapy.

We serve more than 100 riders per week - children and adults with physical, intellectual or learning disabilities.
