

About Riding for the Disabled Association of Singapore

Since 1982, Riding for the Disabled Association of Singapore (RDA) has been providing free therapeutic and rehabilitative horse-riding programmes that benefit people with physical and/or learning disabilities in their rehabilitation process. We are the only charitable organisation locally to provide this unique form of therapy. We have helped over 7000 beneficiaries.

We serve more than 100 riders per week - children and adults with physical, intellectual or learning disabilities.
