PLEASE SUPPORT RDA SINGAPORE Q3 FUND-RAISING APPEAL INSPIRING HOPE & IMPROVING LIVES OF PERSONS WITH DISABILITIES

WE RIDE ON YOUR SUPPORT - Riding for the Disabled Association of Singapore (RDA Singapore) is the only local charity which provides Equine-Assisted Activities and Therapeutic Horse-Riding Program for persons with disabilities, *100% FREE OF CHARGE*.

Our wonderful therapy horses provide a tool for physical and cognitive improvement in a non-clinical setting that is fun and effective, helping the beneficiaries to function better in school/at work, at home and general daily activities, which ultimately help to improve the quality of life for the beneficiaries and their families.

In view of the COVID-19 pandemic and for the safety of our volunteers, donors, staff and beneficiaries, instead of a physical event - we will be organising an **"E-FLAG DAY"** Fund-Raising Appeal for Q3 2021. **YOU CAN SUPPORT US BY:**

(A) DONATING TO RDA SINGAPORE

We provide our therapy *100% free of charge* - we do not receive any direct funding from any government ministry, and rely largely on donations from well-wishing individuals and organisations. *Please donate - so that we could continue to provide, expand and enhance our program for persons with disabilities.*

(B) ADOPTING RDA SINGAPORE AS YOUR CHARITY BENEFICIARY

Raise funds for RDA Singapore - e.g. organising a Charity Dinner, Charity Golf, Charity Walk/Run, Staff Collection & Corporate Matching or donating % of sale proceeds/profit, etc. To find out more - please contact our Community Partnership Executive, Ms Karen Lim via email: karenlim@rdasingapore.org.sg

(C) SPONSORING A BATCH OF 12 RIDERS (x ~10 SESSIONS) @ \$12,000

Every year, ~20 SPED schools & charities ride with RDA Singapore. Each batch consists of 12 riders with special needs, each rider will undergo a ~10week term of horse-riding therapy with RDA. *We are looking for sponsors to help us off-set the costs of running our therapy program.*

(D) SPONSORING A THERAPY HORSE @ \$12,000 (1-year) or \$35,000 (3-years)

Our wonderful therapy horses play a huge role in providing the unique Equine-Assisted Activities & Therapeutic Horse-Riding Program for persons with disabilities. *We need your help to sponsor their yearly upkeep, food, health & other associated costs.*

We are targeting to raise \$100,000 - we look forward to your generous support, especially during this challenging period. The **DONATION FORM** is attached - we ride on your support. Thank you!

"Physical activities that use horseback riding can help to improve strength, balance, and other outcomes for children and adults with a range of neuromotor, developmental and physical disabilities, a review of 16 studies has found."

TO FLY WITHOUT WINGS

IN RIDING A HORSE
WE BORROW FREEDOM

RDA Singapore's therapy horses and ponies play a huge role in providing the free Equine-Assisted Activities & Therapeutic Horse-Riding program for persons with disabilities.

Horses provide a tool for physical therapy & cognitive improvement in a unique format that is fun and exhilarating. Besides the physical benefits derived from our program, the contact with the animal is a powerful experience, and the strong bond that can be formed often has a profound and uplifting effect.

As a charity, we need your help to sponsor their yearly upkeep, food, health (medical and dental) and other associated costs. We ride on your support. Thank you
