ABOUT RDA SINGAPORE

Riding for the Disabled Association of Singapore is the only local registered charity which provides Therapeutic Horse-Riding and Equine-Assisted Activities for persons with disabilities, **100% FREE OF CHARGE**. Our therapy horses and ponies provide a tool for the purpose of contributing positively to the cognitive, physical, emotional and social well-being of individuals with special needs, in a *non-clinical setting*, that is fun and effective, helping the beneficiaries to function better in school/at work, at home and general daily activities, and ultimately helping to improve the quality of life for the beneficiaries and their families.

We are targeting to raise an additional \$60,000 - fund the costs of running our program, maintaining the facilities and the upkeep of our therapy horses. Please donate generously so that we can continue to provide, expand and enhance our free therapy for children and adults with disabilities. The **DONATION FORM** is attached, your support will in many ways, help to give hope and transform lives of persons with disabilities. Thank you.

For enquiry, please contact RDA Community Partnership Executive, Karen Lim @ Tel: 62500176 or email: karenlim@rdasingapore.org.sg.

INSPIRING HOPE & IMPROVING LIVES OF PERSONS WITH DISABILITIES PLEASE SUPPORT OUR Q4 FUND-RAISING APPEAL & MOVIE SCREENING

"Activities involving directing the horse, on the ground, beside, or astride the horse, can build empowerment and self-efficacy. Relationship-building activities such as grooming and groundwork activities have been associated with building self-awareness and well-being."

TO RIDE A HORSE IS
TO FLY WITHOUT WINGS

IN RIDING A HORSE
WE BORROW FREEDOM

RDA Singapore's therapy horses and ponies play a huge role in providing the unique therapeutic horse-riding program for children and adults with disabilities.

Horses provide a tool for physical therapy & cognitive improvement in a unique format that is fun and exhilarating. Besides the physical benefits derived from the horse riding program, the contact with the animal is a powerful experience, and the strong bond that can be formed often has a profound and uplifting effect.

As a charity, we need your help to sponsor their yearly upkeep, food, health (medical and dental) and other associated costs. We ride on your support. Thank you
