## ABOUT RDA SINGAPORE

Riding for the Disabled Association of Singapore was founded in 1982, and provides equine-assisted therapy to Persons with Disabilities in our community.

We are a registered charity and have been accorded Institute of Public Character status – our therapy sessions are 100% free-of-charge.

As such, we rely on our sponsors and volunteers to help keep our programmes running.

To date, more than 8000 children and adults with a wide range of physical and intellectual disabilities have benefitted from our programmes.
