## ABOUT RDA SINGAPORE

Riding for the Disabled Association of Singapore was founded in 1982 and provides equine-assisted therapy to Persons with Disabilities in our community. We are a registered charity and have been accorded Institute of Public Character status – our therapy sessions are 100% free-of-charge.

As such, we rely on our sponsors and volunteers to help keep our programmes running; to date more than 8000 children and adults with a wide range of physical and intellectual disabilities have benefitted from our programmes.

## OUR PROGRAMMES AND HOW THEY HELP

Horses provide a partner for physical therapy and cognitive improvement, in a unique format that is effective and inspiring.

Riding or leading a horse helps improve motor control, coordination, balance, attention and sensory processes.

Interacting with our volunteers and instructors for activities with their equine partner helps our beneficiaries with cognitive and mental development, and builds interpersonal and social skills.

Special and meaningful connections are often formed between our equine therapists and their riders, boosting our beneficiaries' confidence and forming new and positive memories.

## SUPPORT US BY:

- Making a direct donation to RDA Singapore
- Sponsoring a term of therapy for our beneficiaries (10 sessions per rider, 12 riders in a session)
  - Sponsoring one of our therapy horses
- Adopting RDA Singapore for your charity event, or helping us with our fundraisers
  - Joining us as a volunteer!

## SPONSOR OUR RIDERS

**Sponsor a therapy term for beneficiaries from a SPED school or SSA at \$12 000 per term**

Every year, RDA Singapore partners with children from Special Education (SPED) schools, and adults from Social Service Agencies (SSAs) for a 10-week therapy programme.

As these sessions are completely free-of-charge, we depend on the generosity of our sponsors to continue providing this unique and effective form of therapy to our beneficiaries.

## SPONSOR OUR HORSES AND PONIES

**Sponsor one of our therapy horses at \$12 000 per year**

Our therapy horses and ponies play an integral role in our sessions. Not only are they great physical therapists, they inspire confidence and give our riders strength and independence – truly a unique form of therapy!

Your sponsorship helps us cover their yearly upkeep, which includes feed, bedding and veterinary costs.
